CITY OF ENCINITAS NORTH COAST HIGHWAY 101 STREETSCAPE – LCPA (CASE #10-036 GPA/SPA/LCPA - ORDINANCE NO. 2018-05)

Dear Mr. Stevens:

We have received the comment letters dated May 7, and May 11, 2018, regarding the Encinitas North Coast Highway 101 Streetscape (the Project) amendment. The general comments and responses are presented below.

Provide an analysis that includes the existing time it takes someone to travel through the corridor by car during peak/non-peak times of the day, during weekdays/weekends, and during summer/non-summer compared to the time it would take to make the same trip after project implementation.

Michael Baker International (MBI) prepared a Supplemental Traffic Analysis dated May 30, 2018 (Attachment 1) evaluating the above requested travel time scenarios. In summary, the results of the evaluation show that the Project will result in a relatively small increase in travel time (up to 1.8 minutes) in the northbound direction for the weekday, weekend and summer scenarios when compared to the “without project” condition. In the southbound direction, travel time with the Project will be between 0.7 minutes faster and 0.5 minutes slower for the weekday, summer and weekend scenarios.

On a non-summer weekend, travel time in the corridor during the midday peak will be about 7 minutes in either direction. On a summer weekend, travel time during the midday peak will be about 8 minutes northbound and 9 minutes southbound.

Provide information related to the four-lane alternative for the approximate width of separated bike lanes that could be built, approximately how much parking would be lost, the approximate width of the sidewalks that could be constructed, and details regarding how the proposed landscaping would be affected.

As a follow-up to the City staff’s presentation on May 21, 2018, the four-lane alternative would allow for the construction of a dedicated bike lane in each direction, two 11’ travel lanes in each direction, a 5’ sidewalk on the east side and a 9’

sidewalk on the west side, a 6' wide center median, and 8' parallel parking on the west side. There would not be adequate width for northbound left turn lanes, so traffic in the first northbound lane would queue to wait for cars to turn left before proceeding. Similarly, the limited right-of-way would not allow for a "park assist" lane, so cars would queue in the second southbound travel lane or the bike lane to wait for vehicles to maneuver in and out of the parallel parking spaces. Landscaping would be eliminated from the east side of the corridor, and only shrubs and groundcover could be planted in the narrow center median because the narrow width would not allow tree plantings.

The following table summarizes the benefits of the current proposal over the four-lane alternative.

FEATURE	PROPOSED PROJECT	FOUR-LANE ALTERNATIVE
Trees	1,141	Reduced by approximately 50%
Landscaping	East, West, median, and water quality treatment	West side only
Parking	411 cars, 39 motorcycles	On-street reduced by approximately 35%
Sidewalks	Buffered in most areas	Adjacent to roadway
Roundabouts	4+2 optional	Zero
Traffic	Only Mixed Use Housing Densities, in year 2035, would cause significant roadway impacts. These densities are no longer under consideration by the City and will therefore not be realized.	Up to 8,000 additional cars per day drawn from the I-5 to North Coast Highway 101

How is "adequate" defined as proposed to Figure 5-C?

The operational characteristics of an intersection are determined to be "adequate" if they maintain an acceptable Level of Service as defined in the Circulation Element of the General Plan, Policy 1.3, which prohibits development which results in Level of Service E or F at any intersection.

Provide information on the roundabouts at Bird Rock (La Jolla) project showing traffic flows before and after implementation.

The City and its consultants have reached out to the City of San Diego project team to obtain as much information as possible on the project.

The Bird Rock project was designed for 2004 traffic volumes of 21,000-24,000 Average Daily Trips (ADT). Today, North Coast Highway 101 in Encinitas serves 17,000-20,000 vehicles a day. The Bird Rock project design team reports that future traffic projections for the corridor were modeled at a 40% increase over the existing traffic, and the models indicated the project functioned well under both the existing and the future traffic scenarios. Dan Burden of Blue Zones states that in an analysis

performed after the project was constructed in 2008, the traffic for La Jolla Boulevard decreased to 19,500 ADT.

Provide a calculation of the area of available informal parking and the maximum number of cars that it could accommodate.

In previous years, NCTD right-of-way was not heavily used for unpermitted parking. Aerial photography for years 2008-2013 showed fewer than 10 vehicles parked on the east side of Coast Highway 101 in North County Transit District (NCTD) right-of-way. Five sets of aerial photographs for the years between 2014 and 2017 indicated between 21 and 59 vehicles were parked in this area.

Aerial photography was performed via drone by Leucadia 101 Main Street on Friday and Saturday June 1 and June 2, 2018 (Attachment 2). Drone flights were made to count vehicles parked in the western half of NCTD right-of-way at key hours during each of the two days: morning, midday, and evening. Highest usage of the unpermitted parking in NCTD right-of-way occurred during the evening hour on Friday June 1, with 129 cars parked along the 2.5 mile corridor. All other counts included between 50 and 86 vehicles parked along the corridor in the western NCTD right-of-way.

The Project proposed 193 parking spaces in the parking pockets east of Coast Highway 101 in NCTD right-of-way. This exceeds the highest number of cars (129) observed during the recent drone flights.

Please clarify if there was a final City Council Resolution to approve the LCPA in addition to the submitted City Council Ordinance. Please also provide a copy of any mailing lists used by the City to provide notice to interested parties of the various Planning Commission and City Council hearings. Lastly, please provide any available meeting minutes related to the local hearings on this LCPA.

The requested April 18, 2018, City Council meeting minutes and the additional mailing list used for the Planning Commission and City Council notices, are attached as the Public Records Supplemental (Attachment 3). There was not a resolution associated with City Council Ordinance No. 2018-05.

If you have any questions or need any additional information to process or file the proposed CDP and LCPA, please contact me at bwisneski@encinitasca.gov or (760) 633-2712 or Geoffrey Plagemann at gplagemann@encinitasca.gov or (760) 633-2703.

Sincerely,

Brenda Wisneski
Director
Development Services Department

MBI Encinitas North Coast Highway 101 Streetscape Project
Supplemental Traffic Analysis

June 5, 2018

Stephanie Kellar, PE
Senior Civil Engineer
City of Encinitas Engineering Division
505 South Vulcan Avenue
Encinitas, CA 92024

RE: Encinitas North Coast Highway 101 Streetscape Project Supplemental Traffic Analysis

Dear Ms. Kellar:

Michael Baker International has completed the following summary of findings documented in the Highway 101 Streetscape Project Traffic Impact Analysis Report dated November 29, 2016. The summary presented herein is focused on the North Coast Highway 101 corridor within the project study area.

Supplemental topics summarized in this memo include:

- Evaluation of travel time through the project corridor under current conditions and conditions with the project.
- Additional information regarding “before and after” traffic conditions for the Bird Rock Roundabout Project.
- Discussion of regional transportation projects and how they affect the Highway 101 Streetscape Project.
- Clarification of Project traffic impacts reported for the 2035 SMUP scenario.
- Additional discussion of the current parking capacity of the NCTD right-of-way along the east side of the Project corridor.

SUMMARY OF TRAVEL TIME EVALUATION FINDINGS

Study Scenarios and Methodology

This travel time study analyzes both the Existing Conditions and the Existing Plus Project Conditions.

Existing Conditions – This scenario analyzes existing traffic conditions on the roadway facilities based on current traffic counts, intersection geometry and control, roadway segment geometry, and roadway network.

Existing Plus Project Conditions – This scenario analyzes the traffic conditions in the study area based on current traffic volumes and with the proposed intersection geometry and control, roadway segment geometry, and roadway network included in the project.

Time periods evaluated in this analysis include:

Non-Summer	Weekday	<ul style="list-style-type: none"> • Morning commuter peak • Midday peak • Evening commuter peak
Non-Summer	Weekend	<ul style="list-style-type: none"> • Midday beach peak
Summer	Weekday	<ul style="list-style-type: none"> • Midday beach peak
Summer	Weekend	<ul style="list-style-type: none"> • Midday beach peak

Existing travel time runs were conducted to establish the baseline condition for a non-summer weekday condition. Synchro analysis software was used to analyze the difference in intersection delay and average travel speed along the corridor for conditions with the Project. Seasonal 24-hour traffic count data provided in the MBI April 24, 2018 Encinitas North Coast Highway 101 Streetscape Project Traffic Summary memo was used to determine the increase in midday beach peak traffic volumes along Coast Highway on a non-summer weekend, and summer weekday and weekend. These increases in traffic were used to estimate the increase in travel time for each scenario.

Travel Time Estimates

Existing Non-Summer Weekday Conditions

Existing conditions travel time runs were conducted on Wednesday May 16, 2018 from one end of the study corridor to the other. Travel time was recorded in both the southbound and northbound directions during the morning commuter peak, the midday peak, and the evening commuter peak. Three travel time runs were made during each of the time periods. The results of the travel time survey are graphically displayed in Exhibits 1 and 2 for the southbound and northbound directions respectively. The plotted travel time accumulation for each time period is for the average of the three travel runs. Travel times are also summarized in Table 1 along with average speed.

Travel time was highest during the morning southbound commuter peak when it took 7.5 minutes to travel through the corridor (approximately 2.45 miles) and the average speed was 18.1 miles per hour. During the evening commuter peak, the average travel time in the northbound direction was 6.2 minutes and the average speed was 24.7 miles per hour. As shown in the graph, a significant amount of the travel time is accumulated at the approach to the signalized intersections at Leucadia Boulevard and La Costa Avenue and at the approach to the all-way Stop intersection at Marcheta Street.

Travel times for the off-peak directions of travel and for the midday peak were generally 5 minutes or less and the average speeds were typically 30 miles per hour or higher

Existing With Project Non-Summer Weekday Conditions

Travel times with and without the Project are presented in Table 1. The introduction of the roundabouts and the elimination of the southbound and northbound stop signs at Marcheta Street will increase the travel time by between 1.2 and 1.6 minutes in the northbound direction. In the southbound direction, the Project would reduce the travel time during the morning peak by 0.6 minutes. The reduction in travel time is due to the removal of the Stop sign at Marcheta Street and this reduction in delay more than offsets the reduction in average speed caused by the roundabouts. The southbound travel time for the midday peak would remain approximately the same, and the travel time for the evening peak would increase by 0.5 minutes.

Existing Summer Weekday Conditions

Traffic volumes during the midday beach peak on a summer weekday are higher than on a non-summer weekday. Compared to a non-summer weekday, travel time on a summer weekday is between 0.1 minutes and 1.0 minutes longer in the northbound direction, with the lowest increase occurring during the midday peak. The increase in summer weekday travel time over a non-summer weekday in the southbound direction ranges from 0.2 minutes to 0.7 minutes, with the lowest increase occurring during the evening peak.

Existing With Project Summer Weekday Conditions

The Project will increase the travel time in the northbound direction by between 1.3 and 1.8 minutes depending on the peak period. In the southbound direction, the Project would reduce the travel time during the morning peak by 0.7 minutes. The reduction in travel time is due to the removal of the Stop sign at Marcheta Street and this reduction in delay more than offsets the reduction in average speed caused by the roundabouts. The southbound travel time for the midday peak would remain approximately the same and the travel time for the evening peak would increase by 0.5 minutes.

Existing Non-Summer Weekend Conditions

Traffic volumes during the midday beach peak on a non-summer weekend are higher than on a weekday. Compared to a non-summer weekday, travel time on a weekend increases by 0.7 minutes to 5.5 minutes in the northbound direction and increases by 2.3 minutes to 7.1 minutes in the southbound direction.

Existing With Project Non-Summer Weekend Conditions

During non-summer weekend conditions, the Project will increase the travel time by 1.4 minutes in the northbound direction. In the southbound direction, the midday peak travel time will remain approximately the same.

Existing Summer Weekend Conditions

Traffic volumes during the midday beach peak on a summer weekend are higher than on a non-summer weekend. Compared to a non-summer weekend, travel time on a summer weekend increases by approximately 1.6 minutes to 6.5 minutes in the northbound direction and increases by 1.9 minutes to 9.0 minutes in the southbound direction.

Existing With Project Summer Weekend Conditions

During summer weekend conditions, the Project will increase the northbound travel time by 1.7 minutes during the midday beach peak. In the southbound direction, the midday beach peak travel time would increase by 0.05 minutes, or 3 seconds.

Project Impact on Travel Time

Results of the travel time evaluation show that the Project will result in a relatively small increase in travel time of between 1 and 2 minutes in the northbound direction for the weekend and summer scenarios when compared to the without project condition. In the southbound direction, the Project is estimated to have a negligible increase in travel time during the morning peak and midday beach peak and a small increase in travel time of less than 1 minute during the evening peak.

OTHER REGIONAL PROJECT COORDINATION

The following regional transportation projects will interact with the proposed Encinitas North Coast Highway 101 Streetscape Project:

- Encinitas Boulevard/I-5 Interchange Improvements
- I-5 North Coast Corridor Managed Lanes Project
- South Carlsbad Boulevard Corridor Project
- Terramar Area Coastal Improvement Project

The I-5 North Coast Corridor Managed Lanes Project will add high occupancy toll lanes to the I-5 corridor along with some interchange improvements. Improvements are also underway at the Encinitas Boulevard interchange. Since these regional projects will add a significant amount of

additional lane capacity to serve inter-regional travel, the improvements are included in the SANDAG 2035 travel model forecast for both the Without Project and With Project scenarios.

The City of Carlsbad has been studying various alternatives for the ultimate configuration of Carlsbad Boulevard between Palomar Airport Road and La Costa Avenue. The alternatives include a 4-lane alternative with signals at key intersections and a 2-lane alternative with roundabouts at key intersections. The Highway 101 Streetscape Project Traffic Impact Analysis included an evaluation of both the 4-lane and 2-lane alternatives for Carlsbad Boulevard north of La Costa Avenue.

The Terramar Area Coastal Improvement Project is currently considering multimodal improvements to the current 2-lane section of Carlsbad Boulevard between Manzano Drive and the South Beach Jetty north of Cannon Road. The improvements include maintaining two travel lanes and adding curb parking, bike lanes, and pedestrian facilities.

The Project will also interact with several local projects in or soon to be in study, design, or construction, including:

- City of Encinitas Rail Corridor Vision Study
- City of Encinitas Rail Corridor Cross Connect Implementation Plan
- The El Portal Pedestrian Undercrossing
- Encinitas Beach Resort
- Surfer's Point

The Rail Corridor Vision Study (RCVS) is the centerpiece of the Coastal Mobility and Livability Study (CMLS), a broad effort to examine mobility issues and opportunities in the Encinitas coastal rail corridor. The RCVS has a broad focus, coordinating multiple infrastructure elements to create a unified vision for the rail corridor with both near-term and long-term objectives including increasing east-west connections, improving pedestrian and bicycling facilities, providing adequate parking. The Rail Corridor Vision Study was approved by City Council in February 2018.

The Rail Corridor Cross Connect Implementation Plan will be a strategic implementation plan that will allow the City to implement the mobility improvements proposed by RCVS along the coastal rail corridor. The Implementation Plan is anticipated to begin by 2019 and be complete by mid-2020.

The El Portal Pedestrian Undercrossing project will construct a grade-separated pedestrian and bicycle rail crossing near El Portal Street in Leucadia. This area of the City has a high number of residents wishing to safely cross the rail corridor without having to travel out of direction to either Leucadia Boulevard or Encinitas Boulevard. The two main attractions in the area are Paul Ecke Central Elementary School, and the businesses along North Coast

Highway; the installation of this crossing will facilitate the safe access to both. Construction is scheduled to begin in 2019.

The Encinitas Beach Resort project is a private development including construction of a hotel along the western side of the North Coast Highway 101 and La Costa Avenue intersection. The developer has advised the City of plans to begin construction in Fall 2018.

The Surfer's Point project is a private development in design at the northeast quadrant of the North Coast Highway 101 and La Costa Avenue intersection. Timing of construction for the improvements is not yet known.

CLARIFICATION OF REPORTED PROJECT IMPACT FOR 2035 SMUP SCENARIO

The Project Traffic Impact Analysis (TIA) included a future year 2035 Alternative 1 with Mixed-Use Places (SMUP) Conditions analysis. This alternative analyzed the potential future Year 2035 traffic associated with the SMUP Housing Strategy Alternative under consideration by the City at the time..

The traffic analysis of this SMUP land use alternative resulted in the identification of one future year 2035 significant impact. With SMUP in future year 2035, a Level of Service E impact was found for the southbound Highway 101 segment between Leucadia Boulevard and El Portal Street.

The SMUP impact to this single segment of southbound Highway 101 was reported in the Project TIA and Environmental Impact Report. However, the SMUP land use alternative is no longer being considered by the City, so the significant impact will not be realized. None of the other Project alternatives evaluated result in any significant traffic impacts on Highway 101.

Sincerely,

Robert Davis
Senior Transportation Planner
Transportation Services

Leucadia 101 Main Street Parking Counts and Aerial
Photographs

Overview of Media for Streetscape

Due Monday June 4th

Parking Data: Aerial photography of N. Coast Hwy 101 corridor to capture parking counts of NCTD Rail Right of Way & On street parking on highway's west side.

Dates for filming/photography:

Friday June 1st Weekday, Summer Peak Hours

- 8:00-9:00 am
- 1:00 -2:00 pm
- 6:00-7:00 pm

Saturday June 2nd Weekend, Summer Day Peak Hours

- 11:00 am-12:00 pm
- 1:00-3:00 pm
- 5:00-6:00 pm

Results:

Friday 6/1/2018	1st Segment- Marcheta to Leucadia Blvd.	2nd Segment- Leucadia Blvd. to Jupiter	3rd Segment- Jupiter to La Costa Ave	Totals per Peak Hours
Parking Pod will create:	50 spaces N. Court to Basil	54 spaces from Leu. Blvd. to Diana St.	72 spaces from Jupiter to Avocado St.	176 spaces total created along corridor
8-9 am	1, 2, 1, 1, 1 (6 cars total)	11, 7, 1, 2, (21 total)	2, 15, 7, 5, (29 cars total)	56 cars total parked in NCTD ROW

Public Records Supplemental

*MINUTES OF THE ENCINITAS CITY COUNCIL REGULAR MEETING
APRIL 18, 2018, 6:00 P.M., 505 SOUTH VULCAN AVENUE*

1. CALL TO ORDER

Mayor Blakespear called the meeting to order at 6:06 P.M.

2. ROLL CALL

Present: Mayor Catherine S. Blakespear, Deputy Mayor Joe Mosca, Council Members Tasha Boerner Horvath, Tony Kranz and Mark Muir

Absent: None

Also present: City Manager Brust, City Attorney Sabine, Development Services Director Wisneski, Associate Planner Plagemann, Management Analyst Ruess, City Engineer Magdosku, Parks and Recreation Director Campbell, Public Works Director Quiram, Principal Planner Langager, Housing Element Task Force Members Bruce Ehlers and Kurk Groseclose, Deputy City Clerk Bingham and Records Coordinator Columbo

There being a quorum present, the meeting was in order.

3. PLEDGE OF ALLEGIANCE

4. SPECIAL PRESENTATIONS AND PROCLAMATIONS

4A. Presentation of Proclamation to the Community Resource Center

Mayor Blakespear presented a Proclamation to members of the Community Resource Center.

4B. Arbor Day Proclamation to be presented to Department of Public Works and Department of Parks, Recreation and Cultural Arts

Mayor Blakespear presented a Proclamation to Public Works Director Quiram, Parks, Recreation and Cultural Arts Director Campbell and City Arborist Chris Callstrand.

4C. Tree City USA – 7th year presented by City Arborist

City Arborist Chris Callstrand and Lynette Short, representing the Department of Forestry, presented the Tree City USA award to the City.

5. ORAL COMMUNICATIONS / POSSIBLE DIRECTION TO STAFF

Richard Risner requested Council adopt the month of April as World Landscape Architecture Month.

There was Council consensus to direct staff to prepare a proclamation.

Pat Wright requested Council to consider legalizing ferrets.

Christine Wagner spoke about a Notice of Appeal which she submitted to the Coastal Commission regarding the North Highway 101 Streetscape project.

David Smith spoke regarding fire department response times for the North Leucadia area.

Kelle Hinze spoke in support of the North Highway 101 Streetscape project.

6. REPORT FROM CLOSED SESSION

Mayor Blakespear announced at the 4:00 P.M. Special Closed Session meeting that regarding Agenda Item 1, on a 4-1 vote (Muir voted no), direction was given to the City's negotiator to move forward with the negotiations and regarding Agenda Item 2, there was no reportable action.

7. CHANGES TO THE AGENDA

Deputy City Clerk Bingham announced that Agenda Item #10C had been withdrawn by both appellants and only appeared on the agenda because it was continued from a prior meeting to a date certain.

8. CONSENT CALENDAR

Deputy City Clerk Bingham announced that Agenda Items 8N and 8S were removed from the Consent Calendar by members of the public.

Mayor Blakespear announced that she was removing Agenda Item 8I.

Deputy Mayor Mosca announced that he would abstain from voting on Agenda Item 8B due to his employment with SDG&E.

COUNCIL ACTION:

Muir moved, Boerner Horvath seconded to close and adopt the amended Consent Calendar. Motion carried. Ayes: Blakespear, Boerner Horvath, Kranz, Mosca, Muir. Nays: None. Abstain: Mosca (on 8B).

- 8A. Approval of the Minutes of the March 7, 2018 Special Meeting, March 14, 2018 Special Meeting Closed-Session, March 14, 2018 Regular Meeting, March 21, 2018 Special Meeting Closed-Session, March 21, 2018 Regular Meeting, and March 28, 2018 Special Meeting Planning Session. Contact Person: City Clerk Hollywood

Recommended Action: Approve the Minutes.

- 8B. Approval of the Warrants List. Contact Person: Finance Manager Lundgren

Recommended Action: Approve the Warrants.

Motion carried. Ayes: Blakespear, Boerner Horvath, Kranz, Muir. Nays: None. Abstain: Mosca.

- 8C. Legislative Position Letters. Contact Person: Senior Management Analyst McSeveney

Recommended Action: Approve the legislative position letters sponsoring SB 1226 (Bates), and supporting AB 1884 (Calderon), AB 2369 (Gonzalez Fletcher) and AB 2779 (Stone).

- 8D. Cancelation of the May 16, 2018 Regular City Council meeting. Contact Person: City Clerk Hollywood

Recommended Action: Council approve canceling the May 16, 2018 Regular City Council meeting in order to hold a follow-up goal setting planning session.

- 8E. Notice of Completion for the Mackinnon Avenue Sidewalk Improvements, CS17C. Contact Person: Associate Civil Engineer Widelski

Recommended Action: 1) Accept the public improvements as complete; 2) Authorize release of the performance bond and initiate the warranty bond; and 3) Authorize the filing of a Notice of Completion.

- 8F. Execute a Memorandum of Understanding with SANDAG regarding the Regional Shoreline Monitoring Program. Contact Person: Program Administrator Weldon

Recommended Action: Adopt Resolution 2018-40 Approving a Memorandum of Understanding (MOU) Between the San Diego Association of Governments and the City of Encinitas regarding Regional Shoreline Monitoring Program, and authorizing the City Manager, or her designee, to execute the agreement.

- 8G. Storm Drain Inventory Consulting Services. Contact Person: Superintendent Ugrob

Recommended Action: City Council authorize the City Manager, in conjunction with the City Attorney, to execute an agreement for Inventory Consulting Services with Hoch Consulting for an initial (1) one-year term, and authorize the City Manager to extend the agreement if needed for three (1) one-year renewal options not exceeding (4) four years in total. The original agreement and renewal options for these services are not to exceed the annual budgeted amount of \$73,000.

- 8H. Second Reading and Adoption of Ordinance 2018-04 Amending Encinitas Municipal Code Chapter 6.11 Operations Permit: Special Events. Contact Person: Management Analyst Roff

Recommended Action: Adopt Ordinance 2018-04 entitled "An Ordinance of the City Council of the City of Encinitas, California Amending Chapter 6.11 to the Encinitas Municipal Code Operations Permit: Special Events."

- 8J. Contingent general vacation of public road right-of-way at the cul-de-sac bulb of Pacific View Lane. Contact Person: City Planner Sapa'u

Recommended Action: Adopt City Council Resolution 2018-22 approving the contingent general vacation of public road right-of-way at the former terminus of Pacific View Lane and authorize staff to record the street vacation with the San Diego County Recorder upon completion of the required road improvements.

- 8K. Memorandum of Understanding Between the City of Encinitas and Cardiff 101 Main Street for a Community Special Event. Contact Person: Special Events and Projects Supervisor Buck

Recommended Action: Approve a one-year Memorandum of Understanding (MOU) between the City of Encinitas and Cardiff 101 Main Street to host the 13th Annual Cardiff Dog Days of Summer on Sunday, August 12, 2018, at Encinitas Community Park.

- 8L. A Substantial Amendment to the City's FY 2015-19 Consolidated Plan for the Community Development Block Grant (CDBG) Program. Contact Person: Management Analyst Piano-Jones

Recommended Action: Staff recommends that the City Council adopt Resolution 2018-38 approving a Substantial Amendment to the FY 2015-19 Consolidated Plan, changing from the FY 2015-19 Consolidated Plan to the FY 2015-20 Consolidated Plan and authorizing submission of the

Substantial Amendment to the U.S. Department of Housing and Urban Development (HUD).

- 8M. Notice of Completion for the Leucadia Flooding Issues Sump Areas Phase II (CD17A). Contact Person: Associate Civil Engineer Widelski

Recommended Action: 1) Accept the public improvements as complete; 2) Authorize release of the performance bond and initiate the warranty bond; and 3) Authorize the filing of a Notice of Completion.

- 8O. TransNet Local Street Improvement Program of Projects for Fiscal Years 2018/19 Through 2022/23. Contact Person: Senior Management Analyst Ruess

Recommended Action: It is recommended that the City Council take the following actions: 1) Conduct a Public Hearing related to the proposed projects; and 2) Adopt City Council Resolution 2018-20 entitled, "Resolution of the City of Encinitas Adopting the TransNet Local Street Improvement Program of Projects for Fiscal Years 2018/19 through 2022/23."

- 8P. Continued public hearing from March 21, 2018 to consider and approve Resolution 2018-37 approving the Fiscal Year (FY) 2018-19 Community Development Block Grant (CDBG) program budget and the FY 2018-19 Annual Action Plan. Contact Person: Management Analyst Piano-Jones

Recommended Action: Staff recommends that the City Council take the following action: 1) Adopt Resolution 2018-37 approving the proposed FY 2018-19 CDBG budget and FY 2018-19 Action Plan; 2) Authorize the City Manager to transmit the FY 2018-19 Action Plan and execute required certifications to the U.S. Department of Housing and Urban Development (HUD); and 3) Authorize the City Manager, or designee, to execute all funding agreements and documents consistent with the FY 2018-19 Action Plan.

- 8Q. Mobility Project Update - Capital Improvement and Traffic Engineering Divisions. Contact Person: City Engineer Magdosku

Recommended Action: Receive the report on the status of Capital Improvement and Traffic Engineering projects.

- 8R. Update to vehicle purchases authorized by Council at the March 14, 2018 meeting. Contact Person: Director Quiram

Recommended Action: It is recommended that the City Council take the following action: 1) Ratify the purchase of a 2018 Ford Fusion from Encinitas Ford instead of National Joint Powers Alliance.

- 8T. Notice of Completion for the Moonlight State Beach Marine Safety Center Project, CP14C. Contact Person: City Engineer Magdosku

Recommended Action: That City Council: 1) Accept the improvements at the Moonlight State Beach Marine Safety Center, CP14C, as complete; 2) Authorize the Development Services Director to approve expenditures of \$65,000 to finalize all payments to the contractor, up to the total project budget of \$3,896,465; 3) Authorize release of the performance bond and initiate the warranty bond; and 4) Authorize the filing of a Notice of Completion.

- 8U. Legislative position letter in support of SB 1151 (Bates): Neighborhood Electric Vehicles. Contact Person: Executive Assistant to City Council Goodsell

Recommended Action: Approve the legislative position letter in support of SB 1151: Neighborhood Electric Vehicles.

- 8V. Approve Locations for Artistic Elements for the Interchanges at Santa Fe Drive and Encinitas Boulevard. Contact Person: Arts Program Administrator Gilliam

Recommended Action: Approve the recommendation of the Commission for the Arts for the location of the artistic elements on the redesigned interchanges at Santa Fe Drive and Encinitas Boulevard.

9. ITEMS REMOVED FROM THE CONSENT CALENDAR

- 8I. List of Projects funded by SB1 (The Road Repair and Accountability Act of 2017) for Fiscal Year 2018-19. Contact Person: Senior Management Analyst Ruess

Recommended Action: Adopt City Council Resolution 2018-42 entitled, "Resolution of the City of Encinitas Adopting a List of Projects for Fiscal Year 2018-19 Funded by SB1: The Road Repair and Accountability Act of 2017."

Mayor Blakespear removed this item for further clarification.

Management Analyst Ruess presented the staff report.

COUNCIL ACTION:

Blakespear moved, Mosca seconded to adopt Resolution 2018-42 entitled, "Resolution of the City of Encinitas Adopting a List of Projects for Fiscal Year 2018-19 Funded by SB1: The Road Repair and Accountability Act of 2017." Motion carried. Ayes: Blakespear, Boerner Horvath, Kranz, Mosca, Muir. Nays: None.

8N. Construction Contract for the Requeza Street Sidewalk Improvements Project, CS17D. Contact Person: Associate Civil Engineer Widelski

Recommended Action: 1) Authorize the Development Services Director or her designee to execute a contract in consultation with the City Attorney, and any necessary amendments and time extensions with Pal General Engineering Inc. in the amount \$123,171 plus 15% contingencies of \$18,476 to construct the Requeza Street Sidewalk Improvements Project, for a total contract amount of \$141,647; 2) Authorize the Development Services Director or her designee to execute a contract, in consultation with the City Attorney, and any necessary amendments and time extensions with Latitude 33 Planning and Engineering, in the amount of \$7,470 for construction staking for the Requeza Street Sidewalk Improvements Project; and 3) Authorize the Development Services Director or her designee to execute a contract in consultation with the City Attorney, and any necessary amendments and time extensions with Kleinfelder in the amount of \$29,951 for construction inspection services for the Requeza Street Sidewalk Improvements Project.

No staff report was given.

Speaker:

Steven Gerken spoke in support of the recommended action.

COUNCIL ACTION:

Kranz moved, Boerner Horvath seconded to: 1) Authorize the Development Services Director or her designee to execute a contract in consultation with the City Attorney, and any necessary amendments and time extensions with Pal General Engineering Inc. in the amount \$123,171 plus 15% contingencies of \$18,476 to construct the Requeza Street Sidewalk Improvements Project, for a total contract amount of \$141,647; 2) Authorize the Development Services Director or her designee to execute a contract, in consultation with the City Attorney, and any necessary amendments and time extensions with Latitude 33 Planning and Engineering, in the amount of \$7,470 for construction staking for the Requeza Street Sidewalk Improvements Project; and 3) Authorize the Development Services Director or her designee to execute a contract in consultation with the City Attorney, and any necessary amendments and time extensions with Kleinfelder in the amount of \$29,951 for construction inspection services for the Requeza Street Sidewalk Improvements Project. Motion carried. Ayes: Blakespear, Boerner Horvath, Kranz, Mosca, Muir. Nays: None.

- 8S. Second reading and adoption of City Council Ordinance 2018-05, amending the General Plan, North 101 Corridor Specific Plan, and the Local Coastal Plan to clarify provisions for roadway improvements on North Coast Highway 101. CASE NO: 10-036 GPA/SPA/LCPA LOCATION: North Coast Highway 101 between La Costa Avenue and A Street. Contact Person: Associate Planner Plagemann

Recommended Action: Adopt City Council Ordinance 2018-05 titled, "An Ordinance of the City Council of the City of Encinitas, California, adopting the amendments to the Local Coastal Plan, North 101 Corridor Specific Plan and the General Plan to clarify provisions for roadway improvements on North Coast Highway 101."

Development Services Director Wisneski presented the staff report.

SPEAKERS:

Jim Mosher spoke regarding the rail trail segment.

Leah Bissonette, Robert Hemphill, Christine Wagner, Brenda Humphreys, Doug Fiske, Spenser Mosher and David Smith spoke in opposition to the recommended action.

COUNCIL ACTION:

Kranz moved, Blakespear seconded to adopt City Council Ordinance 2018-05 titled, "An Ordinance of the City Council of the City of Encinitas, California, adopting the amendments to the Local Coastal Plan, North 101 Corridor Specific Plan and the General Plan to clarify provisions for roadway improvements on North Coast Highway 101." Motion carried. Ayes: Blakespear, Boerner Horvath, Kranz, Mosca. Nays: Muir.

Mayor Blakespear called a recess from 7:28 P.M. to 7:37 P.M.

10. ACTION ITEMS

- 10A. Housing Element Task Force (HETF)/City Council continued discussion regarding the Housing Plan Update and associated analysis to achieve a State-certified Housing Element. Contact Person: Principal Planner Langager

Recommended Action: Review, discuss and provide comment on the proposed development standards for the sites to be up-zoned in conjunction with the Housing Plan Update.

Housing Element Task Force members Bruce Ehlers and Kurk Groseclose joined Council on the dais.

Development Services Director Wisneski and Principal Planner Langager, along with Consultants Nick Chen and Martie Allen with Kimley Horn, presented the staff report.

SPEAKERS:

Glenn Johnson, Susan Turney and Steven Gerken spoke.

Ed Richardson, Surin Mitruka, Kevin Gaddy, Joan Wapner, Jim Gillie and Richard Boger spoke in opposition to the inclusion of 03:L-7 Site on Quail Gardens Drive.

Randy Goodson, Wendy Goad, Stephen Swiecicki, Damien Mavis, Nick Lee and Bob Kent spoke in support of the recommended action.

COUNCIL ACTION:

Mosca moved, Kranz seconded to remove 03:L-7 Site on Quail Gardens from the list of candidate sites and to direct staff to rezone it to R3. Motion carried. Ayes: Kranz, Mosca, Muir. Nays: Blakespear, Boerner Horvath.

- 10B. ~~Public Hearing to review and consider the introduction of City Council Ordinance 2018-03, titled "An Ordinance of the City Council of the City of Encinitas, California, adopting amendments to Title 24 (Subdivisions) and Title 30 (Zoning) of the Encinitas Municipal Code, which proposes changes to the City's inclusionary housing regulations to better address the need for affordable units reserved in new residential development projects." CASE NO: 15-162 ZAVLCPA; LOCATION: Citywide. Contact Person: Associate Planner Winter~~

~~**Recommended Action:** 1) Conduct the public hearing; 2) Introduce City Council Ordinance 2018-03, titled "An Ordinance of the City Council of the City of Encinitas, California, adopting amendments to Title 24 (Subdivisions) and Title 30 (Zoning) of the Encinitas Municipal Code, which proposes changes to the City's inclusionary housing regulations to better address the need for affordable units reserved in new residential development projects."; and 3) Direct staff to prepare the following studies: a) Nexus Study—to evaluate establishing a fee for projects with less than 7 units (1-6 units and/or fractions); b) Gap Analysis—to evaluate establishing an in-lieu fee for projects of 7 or more units; c) Economic Feasibility Analysis—to evaluate increasing the percentage requirement for affordable units (citywide and upzoned sites).~~

Mayor Blakespear announced that because of time constraints, this item would be continued to a later date.

Mayor Blakespear announced that Council would hear the speakers for this item.

SPEAKERS:

Michael McSweeney spoke in opposition to the recommended action.

Nick Lee spoke in support of the recommended action.

- 10C. ~~Continued Public Hearing to consider two timely filed appeals of the Planning Commission's approval of the Westmont of Encinitas Assisted Living facility. The project site is located within the Residential 3 (R-3) Zone and the Coastal Zone in the community of New Encinitas. **CASE NUMBER:** 16-131 MUP/DR/PMW/EIA/GDP; **APPLICANT:** Richard Lux/Westmont Development, LLC; **APPELLANT NO. 1:** Linda Lux; **APPELLANT NO. 2:** Marilyn Dulich, Robert Denyer, Shaun Cornell, Kelli Cornell, Richard Markell, Kristen Markell, Dan Lowe, Dana Lowe, Linda Lux and Bobby Lux as members of the Encinitas Citizens for Responsible, Respectful Encinitas Development; **LOCATION:** 252 North El Camino Real (APN: 262-160-26 and 27). Contact Person: Associate Planner Mierau~~

This appeal has been withdrawn by both appellants and only appears on the agenda because it was continued from a prior meeting to a date certain.
